**AMERICAN EAGLE AIRLINES TO INCREASE SERVICE  
FROM DALLAS/FORT WORTH TO ROSWELL, N.M.**

FORT WORTH, Texas – American Eagle, the regional affiliate of American Airlines, will increase its service to Roswell, N.M., beginning April. 7 by adding a third daily round trip between Dallas/Fort Worth International Airport and Roswell International Air Center, using 50-seat ERJ-145 aircraft.

“We are pleased that we are able to add another flight to Roswell,” said American Eagle President and CEO Peter Bowler. “The community has been extremely supportive of our service since it first started last September. Customers have been connecting in Dallas/Fort Worth to travel destinations all over the world.”

“This is a wonderful addition and I felt all along that this is a viable market for American Airlines,” said Mayor Pro-Tem Phil Burch of Artesia, N.M. “We can only look forward to bigger and better things in the near future.”

“This is great news for Roswell and all the community partners,” added Roswell Mayor Sam LaGrone. “Our success has been phenomenal and I encourage our citizens to keep using this jet service.”

“The American Eagle flights have been a great step forward in economic development for this area,” said Chaves County Commission Chairman Dick Taylor. “The addition of the third flight is one more step to improving our communities.”

“The Hike It & Spike It Tournament is an event that brings thousands of tourists to Roswell, and the American Eagle jet service has become a major asset in the continued growth of our tournament,” said Jim Matteucci, Chairman of the Board for the Bank of the Southwest and local organizer for The Hike It & Spike It Gridiron Tournament which benefits the United Way of Chaves County.
